Restyle

OUR HISTORY

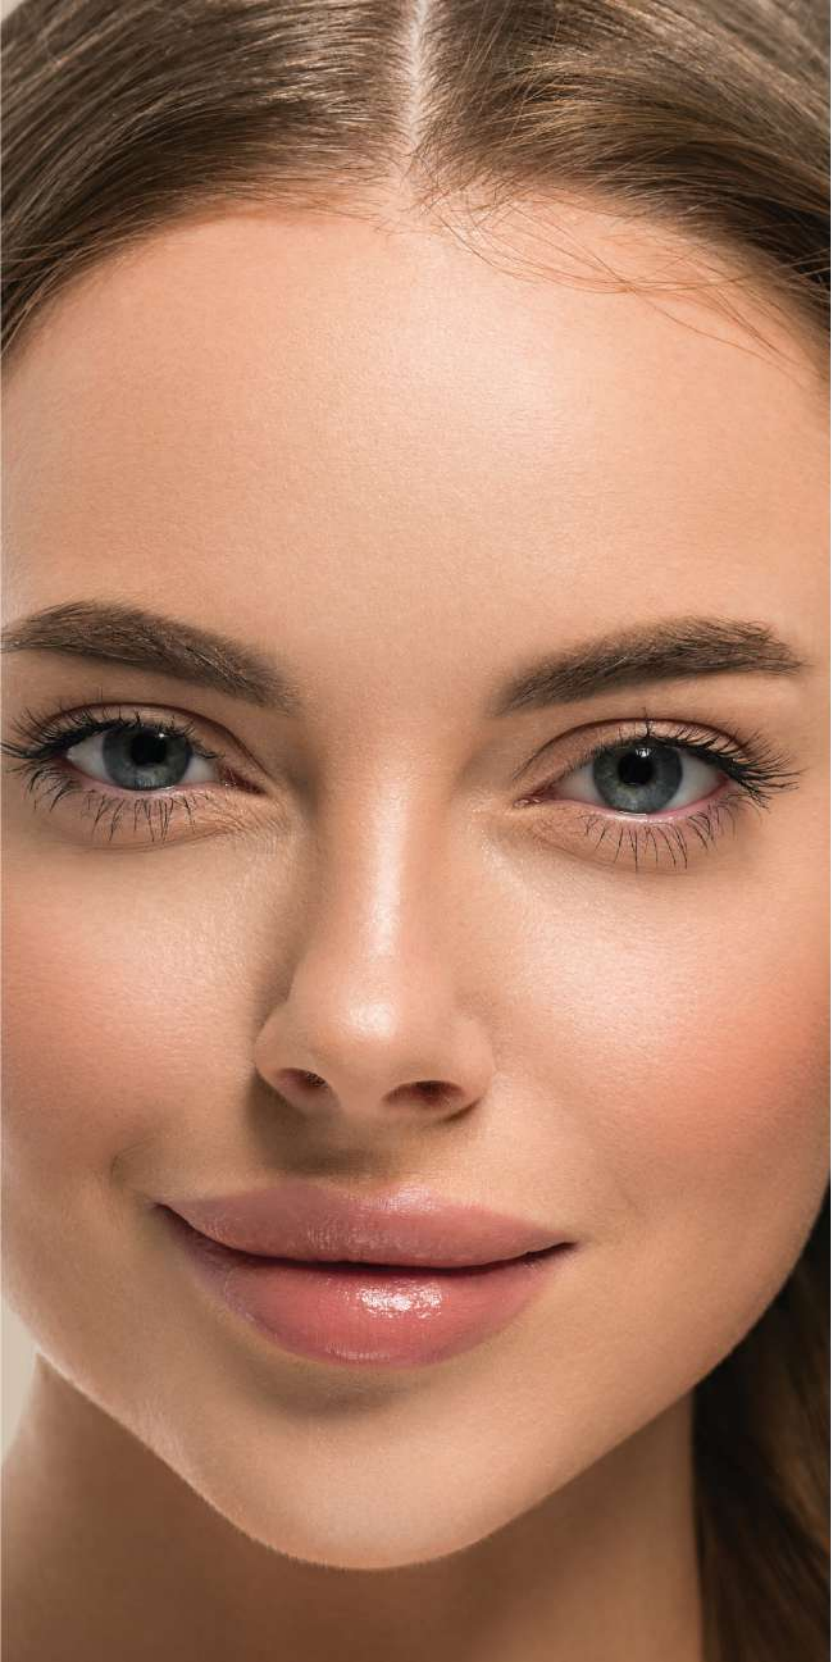

Restyle was founded in 2108 as part of the MedicalCluster business group, with over 3 years of history. We are currently market leaders in dermatology, aesthetic medicine.

In these years of experience, we have consolidated as an R&D laboratory and already have laboratory for the different product lines.

At Restyle, our clients are our advisors. Our relationship with them and their satisfaction are our main objectives. Making their contributions converge with our goals is the foundation of our company and this gets reflected in our slogan.

Dedication, passion, and the desire to do things well, define the character and professional competence of our team members.

That's why more than 1000 clinics and hospitals trust us

RESTYLE B PREMIUM FILLER

RESTYLE B fillers are one of the most popular lip fillers from South Korea, manufactured by FEEL KOREA Company. RESTYLE B filler is stronger than other lip fillers since RESTYLE B filler contained 24 mg/ml of HA concentration compared to other lip fillers which contain just 20mg/ml of HA concentration. Also, RESTYLE B filler contains 0.3% of lidocaine. It has a monophasic structure that mitigates the gel from going places after it has been administered into the skin.

Strengths of RESTYLE B

Pain-free removal of nasolabial folds
Non-surgical correction of deep facial wrinkles
Inexpensive augmentation of lips, cheeks, etc.
Instant lips pouting and enhancement of lip lines

C

RESTYLE C PREMIUM FILLER

RESTYLE C ranks among the most popular dermal fillers for deep wrinkle correction and facial sculpting. It has several admirable properties that help it deliver high patient satisfaction and outstanding results. In addition, although it is developed to provide temporary cosmetic rejuvenation results, it is long-lasting than most HA-based injectable implants.

Strengths of ARUM Ultra

Zero gel migration

Natural volume

Stable, highly cross-linked structure

Has Hyaluronic Acid as its main ingredient (naturally found in the human body)
